

FIFTY - THREE YEARS OF EKISTICS: 1955 - 2007

	1955			1960		
*1	October	Tropical Housing & Planning Monthly Bulletin		*51	January	Abstracts of the Problems and Science of Human Settlements
*2	November	Tropical Housing & Planning		*52	February	Abstracts of the Problems and Science of Human Settlements
*3	December	Tropical Housing & Planning		*53	March	Abstracts of the Problems and Science of Human Settlements
	1956			*54	April	Abstracts of the Problems and Science of Human Settlements
*4	January	Tropical Housing & Planning		*55	May	Abstracts of the Problems and Science of Human Settlements
*5	February	Tropical Housing & Planning		*56	June	Abstracts of the Problems and Science of Human Settlements — Index, January-June 1960
*6	March	Tropical Housing & Planning		*57	July	Abstracts of the Problems and Science of Human Settlements
*7	April	Tropical Housing & Planning		*58	August	Abstracts of the Problems and Science of Human Settlements
*8	May	Tropical Housing & Planning		*59	September	Abstracts of the Problems and Science of Human Settlements
*9	June	Tropical Housing & Planning		*60	October	Abstracts of the Problems and Science of Human Settlements
*10	July	Tropical Housing & Planning		*61	November	Abstracts of the Problems and Science of Human Settlements
*11	August	Tropical Housing & Planning		*62	December	Abstracts of the Problems and Science of Human Settlements — Index, July-December 1960
*12	September	Tropical Housing & Planning				
*13	October	Tropical Housing & Planning		1961		EKISTICS: Reviews on the Problems and Science of Human Settlements
*14/15	November	Tropical Housing & Planning		*63	January	Reviews on the Problems and Science of Human Settlements
*16	December	Tropical Housing & Planning — Index, September 30-December 1956		*64	February	Reviews on the Problems and Science of Human Settlements
	1957			*65	March	Reviews on the Problems and Science of Human Settlements
*17	January	Tropical Housing & Planning		*66	April	Reviews on the Problems and Science of Human Settlements
*18	February	Tropical Housing & Planning		*67	May	Reviews on the Problems and Science of Human Settlements
*19	March	Tropical Housing & Planning		*68	June	Reviews on the Problems and Science of Human Settlements — Index, January-June 1961
*20	April	Tropical Housing & Planning		*69	July	Reviews on the Problems and Science of Human Settlements
*21	May	Tropical Housing & Planning		*70	August	Reviews on the Problems and Science of Human Settlements
*22	June	Tropical Housing & Planning		*71	September	Reviews on the Problems and Science of Human Settlements
*23	July	Tropical Housing & Planning		*72	October	Reviews on the Problems and Science of Human Settlements
*24	Aug./Sept.	Tropical Housing & Planning — Accumulated Index, October 1955-July 1957		*73	November	Reviews on the Problems and Science of Human Settlements
*25	October	EKISTICS: Housing & Planning Abstracts		*74	December	Reviews on the Problems and Science of Human Settlements — Index, July-December 1961
*26	November	Housing & Planning Abstracts				
*27	December	Housing & Planning Abstracts — Index, October-December 1957		1962		
	1958			*75	January	Reviews on the Problems and Science of Human Settlements
*28	January	Housing & Planning Abstracts		*76	February	Reviews on the Problems and Science of Human Settlements
*29	February	Housing & Planning Abstracts		*77	March	Reviews on the Problems and Science of Human Settlements
*30	March	Housing & Planning Abstracts		*78	April	Reviews on the Problems and Science of Human Settlements
*31	April	Housing & Planning Abstracts		*79	May	Reviews on the Problems and Science of Human Settlements
*32	May	Housing & Planning Abstracts		*80	June	Reviews on the Problems and Science of Human Settlements — Index, January-June 1962
*33	June	Housing & Planning Abstracts — Index, January-June 1958		*81	July	Reviews on the Problems and Science of Human Settlements
*34	July	Housing & Planning Abstracts		*82	Aug./Sept.	Reviews on the Problems and Science of Human Settlements
*35	August	Housing & Planning Abstracts		*83	October	Reviews on the Problems and Science of Human Settlements
*36	October	Housing & Planning Abstracts		*84	November	Reviews on the Problems and Science of Human Settlements
*37	November	Housing & Planning Abstracts		*85	December	Reviews on the Problems and Science of Human Settlements — Index, July-December 1962
*38	December	Housing & Planning Abstracts — Index, July-December 1958				
	1959					
*39	January	Housing & Planning Abstracts				
*40	February	Housing & Planning Abstracts				
*41	March	Housing & Planning Abstracts				
*42	April	Housing & Planning Abstracts				
*43	May	EKISTICS: Abstracts of the Problems and Science of Human Settlements				
*44	June	Abstracts of the Problems and Science of Human Settlements — Index, January-June 1959				
45	July	Abstracts of the Problems and Science of Human Settlements				
*46	August	Abstracts of the Problems and Science of Human Settlements				
*47	September	Abstracts of the Problems and Science of Human Settlements				
*48	October	Abstracts of the Problems and Science of Human Settlements				
*49	November	Abstracts of the Problems and Science of Human Settlements				
*50	December	Abstracts of the Problems and Science of Human Settlements — Index, July-December 1959				

	1963		*128	July	General research program of the Athens Center of Ekistics
*86	January	Reviews on the Problems and Science of Human Settlements	129	August	28th IFHP Congress in Japan on urban transportation and housing
*87	February	Reviews on the Problems and Science of Human Settlements	*130	September	Man is the measure
*88	March	Reviews on the Problems and Science of Human Settlements	*131	October	Transportation, communications and the preservation of quality — Delos Four
*89	April	Reviews on the Problems and Science of Human Settlements	132	November	Man's biological environment
*90	May	Reviews on the Problems and Science of Human Settlements	133	December	Metropolitan problems
*91	June	Reviews on the Problems and Science of Human Settlements — Index, January-June 1963	*134	1967	
*92	July	Reviews on the Problems and Science of Human Settlements	*135	January	Progress from poverty
*93	August	Reviews on the Problems and Science of Human Settlements	136	February	Human settlements: Challenge and response
*94	September	Reviews on the Problems and Science of Human Settlements	137	March	The built environment
*95	October	Reviews on the Problems and Science of Human Settlements	138	April	Developments outside megalopolis
*96	November	Reviews on the Problems and Science of Human Settlements	139	May	Strategy for development
*97	December	Reviews on the Problems and Science of Human Settlements — Index, July-December 1963	140	June	Systems of urban form
	1964		141	July	ACE research
*98	January	Reviews on the Problems and Science of Human Settlements	142	August	Rural housing
*99	February	Reviews on the Problems and Science of Human Settlements — Highways: Technics and Aesthetics	143	September	Technology and social goals
*100	March	Reviews on the Problems and Science of Human Settlements — Architect's Role in Meeting Housing Needs	144	October	Delos: Strategy for settlements
*101	April	Reviews on the Problems and Science of Human Settlements	145	November	Anthropocosmos: The world of man
*102	May	Reviews on the Problems and Science of Human Settlements — Programming Regional Development	146	December	The Second Athens Ekistics Month
*103	June	Reviews on the Problems and Science of Human Settlements — Architecture for Rapid Urbanization — Index, January-June 1964	147	1968	
*104	July	Reviews on the Problems and Science of Human Settlements — Community Development and Traditional Values	148	January	The transport fit: Needs and facilities
*105	August	Reviews on the Problems and Science of Human Settlements — Urban Renewal and Urban Design	149	February	Housing policies and public acceptance
*106	September	Reviews on the Problems and Science of Human Settlements	150	March	Industry: Appropriate scales
*107	October	Reviews on the Problems and Science of Human Settlements — Delos Two, the Second Symposium	151	April	Population dynamics
*108	November	Reviews on the Problems and Science of Human Settlements — New Towns	152	May	Urban systems and urban form
*109	December	Reviews on the Problems and Science of Human Settlements — Index, July-December 1964	153	June	Anthropics: Man and his settlement
	1965		154	July	ACE research
*110	January	Order in the field of Ekistics	155	August	Techniques of communication
*111	February	Problems of water	156	September	Cumulative Index 1961-1967
*112	March	The human habitat	157	October	Athens Ekistics Month: Man and settlements
113	April	Technological aspects of research	158	November	The rational use of resources
114	May	Metropolitan development counter magnets	159	December	Education and environment
115	June	Time for leisure	160	1969	
116	July	The City of the Future	161	January	Housing by the people for the people
117	August	Research work of the Athens Center of Ekistics	162	February	The transport fit
*118	September	Technology and regional development	163	March	Ecosystems: Man and nature
119	October	The third Delos Symposium	164	April	Patterns of urbanization
*120	November	Urban design	165	May	Social actions and human resources
121	December	Work of the United Nations in housing, building and planning	166	June	ACE research
	1966		167	July	Computers in the service of ekistics
*122	January	Urbanization and metropolitan planning	168	August	Urban systems and urban form
123	February	International Seminar on Ekistics and the future of human settlements	169	September	Home life and leisure in the megalopolis
124	March	Housing and community facilities	*170	October	Society and human settlements
*125	April	Transportation in metropolitan areas	171	November	Balancing urban development and economic development
*126	May	Economic development: Immediate costs and long-term goals	172	December	Prospects for human settlements in the seventies
127	June	Research techniques in Ekistics	173	1970	
			174	January	The transport fit
